

POST REQUIREMENTS FORM

Post Title Principal Technician (Senior Systems Administrator)
Reference Number B5-BLST-1692-12-NLD
NATO Grade B5
Name

Dear Applicant,

This form has been specifically designed to aid the NCIA Recruitment Office in assessing whether or not you meet the essential and desirable qualification requirements of the aforementioned post as advertised.

If you are applying for more than one vacant post listed in separate advertisements, it will be necessary for you to complete a separate form for each vacancy.

This form consists of 2 parts – Essential and Desirable Qualifications. Under column B, please provide factual information stating how you meet the respective essential and desirable criteria.

For more information about this post you are kindly advised to refer to the official advertisement available at our website (<http://www.ncia.nato.int/Opportunities/Pages/Vacancies.aspx>).

This form is to be completed electronically or in clearly legible handwriting and is to be returned to the NCIA Recruitment Office (recruitment@ncia.nato.int), together with duly completed NCIA Application Form.

Expressions such as: please see attachment, annex, enclosed document, CV, etc., are not acceptable.
