Requirement:

¹ http://www.ncsa.nato.int/doc/procurement_directive60_70.pdf

Lot 1: Provision of electrical power

This provision to the NATO Communication and Information Systems School, Latina, must be provided in compliance with the laws and regulations in force in the Host Nation. The company awarded the supply contract will comply with any changes in power requirements, relocation of measuring units and provide all technical, administrative and fee related assistance required to resolve any issue connected with management of the power supply and optimisation of the electrical systems and flow by means of trained and qualified personnel.

Lot 2: Provision of Methane Gas

This provision to the NATO Communication and Information Systems School, Latina, must be provided in compliance with the laws and regulations in force in the Host Nation. The company awarded the contract will also be responsible for providing any technical, administrative and fee related assistance required to resolve any issue connected with management of the power supply and optimisation of the gas systems and gas flow by means of trained and qualified personnel.

Delivery Locations: Location in BORGIO PIAVE (Latina, Italy).

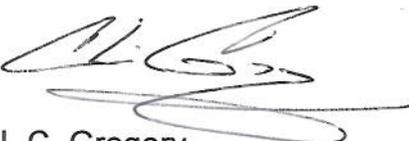

Partial Bidding: Authorised

Web Site: www.ncsa.nato.int/business.htm

2. NCSA will post the solicitation documents on the aforementioned website.
3. You are hereby invited to nominate companies and to send the declaration of eligibility by facsimile not later than **Wednesday 11 May 2011** (COB Brussels time)

Please include in your declaration of eligibility, the company name, full mailing address, point of contact information (e.g. phone number, e-mail address, and facsimile number). This and any other correspondence should be addressed to:
