From: NCI Agency Cap. Dev. Acquisition Support Group
Subject: **NCI Agency Status Report on Use of BOAs – Jan- Nov 2016**

Ref.: (a) AC/4-D (2002) 002(Final), dated 21 May 2002

In accordance with the reference (a) BOA Procedures, paragraph 30.2, attached is the status report for BOA procurements being conducted by NCI Agency. This report is divided into three sections:

SECTION 1. Individual status on contracts awarded between January 2016 and November 2016 where Basic Ordering Agreements have been used including those authorised as the procurement method by the Infrastructure Committee. Please note that while the first overview "Projects and Related Contracts" only lists contracts awarded under the NSIP Program, the subsequent two pie charts additionally include Third Party and SPIEP contracts awarded through BOAs.

SECTION 2. A summary of Basic Ordering Agreements that are under negotiation or that have been established on behalf of NATO in January- November 2016.

SECTION 3. Active BOAs per Nation as per November 2016

The Agency welcomes comments on the format and content of the report to ensure its acceptability and usefulness to all recipients.

ALAIN COURTOIS
Chief of Contracts
