Notification Of Intent to Invite Bids

Provision of Passive Network Structured Cabling for the Extension to the NCI Agency Building in The Hague, The Netherlands

IFB-CO-14913-AIH

Estimated Value: EUR 1,000,000

This NOI concerns the provision of a Structured Cabling System, also referred to as the Passive Network Infrastructure (PNWI) into specialised technical areas in the new extension to the NCI Agency building in The Hague (The Netherlands). The horizontal and vertical Structured Cabling System (PNWI) provided during building construction shall be complemented by the specific Structured Cabling needs (PNWI) provided to the special areas of the Main Equipment Room (MER - a small datacentre) and the Laboratories which are in the scope of the IFB. Successful implementation of the new Structured Cabling System (PNWI) and its integration with the existing cabling system requires certified installers who can provide long term warranty and maintenance of the installation.

The formal Invitation for Bid (IFB) is planned to be issued **by 30 November 2018** with an anticipated Contract Award **by 21 December 2018**.

It is planned to issue the IFB in accordance with the Basic Ordering Agreement (BOA) Plus procedures, thus allowing for a bid closing date approximately two weeks after issuance of the IFB.

Subject: **Notification of Intent to Invite Bids**

Provision of Passive Network Structured Cabling for the Extension to the NCI Agency Building in The Hague, The Netherlands

IFB-CO-14913-AIH

References: A. AC/4-D/2261 (1996 Edition)
B. AC/4-D(2002)002 (Final) dated 24 June 2002

1. The NCI Agency, as the Host Nation, hereby gives notice of its intent to issue an Invitation for Bid (IFB) for the provision of passive network structured cabling for the extension to its existing building in The Hague, The Netherlands.
2. Attached to this letter at Annex A is a summary of the requirements. These requirements are being refined and will be included in further detail as part of the Invitation for Bid.
3. The reference for the Invitation for Bid will be **IFB-CO-14913-AIH**, and all correspondence concerning this IFB should reference this number.
4. For the purpose of planning, the estimated cost for the services and deliverables included within the scope of the intended contract is approximately EUR 1,000,000.
5. The successful bid pursuant to the IFB will be that bid which is the lowest price and technically compliant in accordance with the evaluation criteria prescribed in the IFB.
6. It is planned to award a single firm-fixed price contract for the entire scope of work. No partial bidding will be accepted.
7. The NCI Agency will use the Basic Ordering Agreement (BOA) Plus bidding procedures. Attached to this letter at Annex B is a list of potential bidders that may be able to provide the services and equipment required for this project. This list was compiled from the companies that have an active BOA with the Agency.
8. The BOA Plus procedures allow National Responsible Authorities to nominate eligible bidders in addition to the companies identified at Annex B. Any such nominations for companies that do not have an active BOA should come from the National Authorities via their Delegation/Mission to NATO, who will provide the requisite Declaration of Eligibility (DoE). Upon receipt of the DoE, the NCI Agency Contracting Officer will add the company to the Bidders List.
9. National Responsible Authorities are kindly requested to provide a list to the NCI Agency with Declarations of Eligibility, not later than **30 November 2018**, of qualified and certified companies which may be interested in receiving an Invitation for Bid for this project. The Declarations of Eligibility should include the following information for each of the nominated firms: **Company Name, Point of Contact, Telephone number and E-mail address**. This information is critical to enable prompt and accurate communication with prospective bidders and should be sent to the following address:

NATO Communications and Information Agency
NATO HQ Boulevard Leopold III
B-1110 Brussels, Belgium
Attention: Sven Schumacher – Senior Contracting Officer
e-mail: sven.schumacher@ncia.nato.int

10. Please note that requests for participation in this competition received directly from individual companies cannot be considered, unless they hold a valid BOA with the NCI Agency.
11. The IFB is planned to be issued by 30 November 2018, with an anticipated Bid Closing Date approximately two weeks after issuance and expected Contract Award by 21 December 2018.
12. Bidders will be required to declare a bid validity of twelve (12) months from closing date for receipt of bids, supported by a bid guarantee of €50,000 (fifty thousand euros). If the selection and award procedure exceed the bid closing date by more than twelve (12) months, companies may be requested to extend the validity of their bids and the Bid Guarantee accordingly. Bidders may decline to do so, withdraw their bid and excuse themselves from the bidding process without penalty.
13. The National Authorities are advised that the IFB package will be NATO UNCLASSIFIED.
14. The successful bidder may be required to handle and store classified information up to the level of "NATO SECRET". In addition, execution of the proposed contract may require unescorted access and work of contractor personnel at NATO Class II security areas, and in accordance with C-M(2002)49, NATO Security Policy, personnel of the winning bidder will be required to hold individual security clearances of "NATO SECRET". Only companies maintaining such cleared facilities and the appropriate personnel clearances will be able to perform the resulting contract.
15. Please note that it is anticipated that the IFB will contain provisions requiring bidders to clearly demonstrate in their bid their technical capability and years of relevant experience in the field of cabling installation services to ensure bids are received from qualified companies.
16. The NCI Agency point of contact for all information concerning this IFB is Sven Schumacher, Senior Contracting Officer, sven.schumacher@ncia.nato.int.
17. Your assistance in this procurement is greatly appreciated.
