**Next Steps – What to Expect:**

- ✓ Your request will be reviewed by the SPraaS Team.
- ✓ A Price Proposal (PP) will be prepared and sent to you for review and acceptance.
- ✓ Upon acceptance and confirmation of funding, delivery will be initiated.
- ✓ You will be kept informed throughout the process.

**Acceptance & Acknowledgement**

By signing this Customer Request (CR), the Requester formally confirms that the information provided is accurate and complete and acknowledges the applicable Standard Product conditions, processes, and prerequisites.

The Requester acknowledges that they have read, understood, and accept the applicable Terms & Conditions. Forms submitted without this confirmation will not be processed.

**Signature:**

**Date of Submission:**

**Submission of the Customer Request:**

This CR must be signed in order to be considered valid and to initiate the preparation of a Price Proposal. After approval, click the **SUBMIT** button to send the **CR for processing**. Submission of this form confirms that the information provided is accurate and that all required approvals have been obtained. **Please download the form and open it with Adobe Acrobat Reader. The submit button may not work in a browser.**

Thank you for submitting your request. The Agency's objective is to deliver services in a timely, transparent, and predictable manner. Should additional information or clarification be required during the review process, the Agency will contact the Requester accordingly.
